

## **ENVIRONMENTAL POLICY**

**“Daleba Electronics Limited is committed to protecting the Environment”**

Daleba Electronics Limited aims to control and manage its activities to ensure that risks to the health, safety and welfare of its employees, customers and neighbours are identified and actions taken to minimise or eliminate their effects.

The objectives of the policy are:

- To comply with all applicable environmental legislation.
- To promote health, safety and environmental awareness throughout the Company.
- To maintain a healthy working environment for all employees, with adequate, well maintained facilities.
- To eliminate or reduce to the maximum practical extent, the release of pollution into the environment through preventive and control techniques.
- To continuously improve the Companies environmental performance.
